

Villa for sale in Casarsa della Delizia San Giovanni

€ 275.000

Code Casarsa della Delizia Villa Unifamiliare

204 m2 | Bathrooms: 2 | Bedrooms: 3 | Rooms: 8

In a well-served residential area in the municipality of Casarsa della Delizia, we are selling a detached villa on two levels with a large private garden.

The earthquake-proof property, built in the mid-1980s, features a ground floor, used as a tavern with kitchen, laundry room, and garage, entirely above ground and therefore free of humidity, and a first floor consisting of an eat-in kitchen, large living room with fireplace, 3 bedrooms, and 2 full bathrooms with windows, as well as a large terrace and a balcony, for a total of over 200 square meters.

There is also an uninhabitable attic.

The house is barrier-free and is surrounded by a garden of approximately 700 square meters.

The property is already habitable, while offering the opportunity for customization and modernization, and features high-quality finishes and in good condition (larch wood window frames, olive wood parquet flooring in the sleeping area).

The lower floor can easily be transformed into a separate apartment, thanks to its independent entrance and the existing heating and plumbing connections (possibility of creating a third bathroom and a fourth bedroom).

The residential area is quiet, away from the traffic of the main roads, served by a supermarket and sports centers, and located near the two railway stations in the municipality of Casarsa (Casarsa and San Giovanni di Casarsa), which provide direct access to Venice, Pordenone, Treviso, Udine, Trieste and Portogruaro, with significant train frequencies.

An excellent opportunity for those seeking spacious living and a real estate investment in preparation for Pordenone Capital of Culture 2027, just a 10-minute train ride from the provincial capital.
